

26th February 2024

LGS Newsletter 165.11

Liverpool Geological Society Events

These events will be held in **Lecture Theatre C** in the Central Teaching Hub, University of Liverpool. **Entrance will be via the main door. Please be aware that for security reasons, the building manager may lock the main door to stop access from outside at some time after 7.30pm. If you arrive late and are unable to gain access, you may need to contact someone inside the lecture to let you in.**

Tuesday 27th February

Lecture by **Maggie Williams (University of Liverpool)**

Title: Uranium Mining in Greenland

Maggie Williams

In this talk the problems and controversies concerning extraction of uranium in Greenland will be outlined.

Apologies: Nick Smith's talk on 'Nuclear Waste Disposal' will be rescheduled on a date in the near future.

Liverpool Geological Society Annual Dinner

A reminder that this will be held on **Tuesday 19th March 2024** at Villa Romana, 6 Wood Street, Liverpool, L1 4AQ at **7 pm**.

Cost: £35.75 per head (including a 10% tip)

Bookings and payments for this event must reach the Treasurer (Gary. T. Billington) **by 5th March**. Details are shown on the website and in previous LGS newsletters.
