

29<sup>th</sup> March 2024

## LGS Newsletter 165.14

### Sad news

It is with great sadness that we wish to report that Bob Bell died on 14<sup>th</sup> March 2024. Bob had been a long-standing member of the Society and for many years served as our Honorary Treasurer.

A non-religious celebration of Bob's life will be held by the Bell family on Monday 8<sup>th</sup> April at 12 noon at Mayfields Woodland Burial Ground, Ferry Road, Eastham, Wirral, CH62 0DB.

Please do not send flowers. Donations in Bob's memory may be made to Royal Liverpool Philharmonic Society for its 'In Harmony' work with children and would be much appreciated.

For those unable to attend in person a live and recorded stream of the ceremony will be available. Please email [ruth.f.bell@gmail.com](mailto:ruth.f.bell@gmail.com) for details.

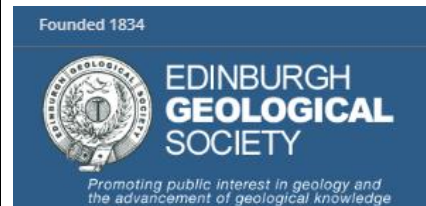

### Other news

**Earth Heritage** is produced twice yearly to stimulate interest in geodiversity and a broad range of geological and landscape conservation issues within the UK and further afield. It is free in pdf format from the Earth Heritage Past Issues section of this site:
